

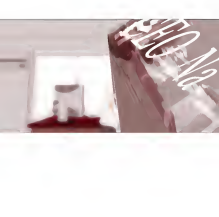
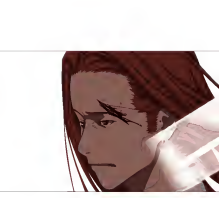
E...ONLY BITCH
I'M SORRY I'M SORRY
I'M SORRY
I'M SORRY

TN - In Korean, the word wrong has a different connotation of 'difference' than a simple 'no'.

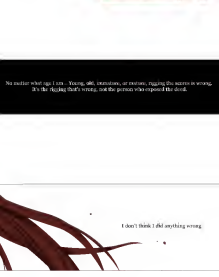
Yeah.
Everything is wrong.
Everything is a contradiction.

Everyone will say It was the foolishness of a immature, young child.
But I did something I should be sorry for, not something that was wrong.





No matter what age I am - Young, old, immature, or mature, rigging the scores is wrong.
It's the rigging that's wrong, not the person who exposed the deed.



To Be Continued.
